## **Infinite Computer Solutions Recognized on CRN 2022 MSP 500 List**

**ROCKVILLE, Maryland - February 24, 2022** Infinite, a leading, global technology company, announced today that CRN®, a brand of The Channel Company, has named Infinite Computer Solutions to its 2022 Managed Service Provider (MSP) 500 list in the Elite 150 category. The list, released annually, recognizes the leading service providers in North America whose forward-thinking approaches to managed services are changing the landscape of the IT channel, helping end-users increase efficiency and simplify IT solutions while maximizing their return on investment.

CRN's 2022 MSP 500 list identifies the market's key managed services players who are setting themselves apart with best-of-breed solutions that provide the business outcomes customers need. In addition, the MSP Elite 150 recognizes a large, extensive managed services portfolio, including on-premises and off-premises capabilities, weighted toward midmarket and enterprise customers.

With many customers still recovering from the impact of the ongoing pandemic, MSPs have become a vital part of the success of businesses worldwide. MSPs not only empower organizations to leverage intricate technologies but also help them keep a strict focus on their core business goals without straining their budget.

Today, Infinite is helping enterprises successfully morph into the digital future by accelerating connectivity, creating new talent models, and driving the adoption of cognitive technology with embedded AI, which additionally helped them deliver superior experiences for their consumers. In addition, Infinite is investing heavily in Platforms, Partnerships, and Workforce to align with customer's growth strategy, focusing on hybrid cloud, container solutions, IoT, analytics, product and platform engineering for Healthcare, Telecom, Media, Hi-Tech, Banking, Insurance, Retail and Government.

Infinite has also been recognized as a Leader and Digital Disruptor by leading global technology analysts and advisories like ISG, Everest, Avasant, Forrester, and Ovum.
