EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 FORMING PART OF THE NOTICE

Item No. 1 & 2

The Board in their meeting held on August 24, 2016 had approved a buyback of equity shares of the Company for an aggregate consideration of Rs. 1,50,00,00,000 (Rupees One Hundred Fifty Crore only) at a maximum buyback price of Rs. 250/- (Rupees Two Hundred Fifty only) per equity share (the “**Previous Proposed Buyback**”). The same was also approved by the members through postal ballot, results for which were declared on October 08, 2016.

Further, with an objective to maximize returns to investors, to reduce total number of shares and enhance overall shareholders value by returning cash to shareholders in an efficient and investor friendly manner, the Board at its meeting held on October 12, 2016, withdrew the previous buyback approved by the members on October 08 2016 and approved the proposal of recommending buyback of equity shares as contained in the resolution in the Notice. As per the requirements of Section 102 read with Section 68 and other applicable provisions of the Companies Act, 2013 and Buyback Regulations, the Explanatory Statement contains relevant and material information to enable the Members holding equity shares of the Company to consider and approve the Special Resolution on the Buyback of the Company's equity shares.

Requisite details relating to the Buyback are given below:

(a) Objective of the Buyback

The Company has accumulated free reserves and satisfactory liquidity as represented by bank balances.

The future generation of cash along with borrowings, if any required, will support the resources required for investments and other operational requirements of the Company in coming years. The proposed Buyback provides an opportunity to the Company to return surplus capital to the Shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, efficient and cost effective manner and to enhance the overall shareholders' value in long term. The Board at its meeting held on October 12, 2016, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts for the Financial Year ending March 31, 2016 and considering these, decided to allocate a sum of Rs. 1,50,00,00,000 (Rupees One Hundred Fifty Crores only) for Buyback of Shares from the Members holding equity shares of the Company.

After considering several factors and benefits to the Members holding equity shares of the Company, the Board decided to undertake buyback of equity shares for a total amount not exceeding Rs. 1,50,00,00,000 (which is 24.77% of the total Paid-up share capital and free reserves as per the audited Financial Statements of the Company for the Financial Year ended March 31, 2016) excluding transaction cost, viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty, etc. cost for the intermediaries appointed for the buyback and other incidental costs.

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

- i. The Buyback will result in reduction in the overall capital employed in the business, which will, in turn lead to higher earnings per share and enhanced return on equity and return on capital employed, return on net worth, return on assets, etc., and long term increase in shareholders' value;
- ii. The Buyback will help the Company to distribute surplus cash to its Members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- iii. The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of 15% of the outlay to small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder"; and
- iv. The Buyback gives an option to the Members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

(b) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis from all the Members holding equity shares of the Company through the "Tender Offer" route, as prescribed under the Buyback Regulations. The Buyback will be implemented in accordance with the Companies Act, 2013 and the Share Capital Rules to the extent applicable, and on such terms

and conditions as may be deemed fit by the Company. As required under the Buyback Regulations, the Company will announce a record date (the "**Record Date**") for determining the names of the Members holding equity shares of the Company who will be eligible to participate in the Buyback.

In due course, each shareholder as on the Record Date, will receive a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the shareholder for participating in the Buyback.

The equity shares to be bought back as a part of the buyback is divided in two categories:

- (a) Reserved category for small shareholders; and
- (b) the General category for all other shareholders.

As defined in the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price of shares, on the stock exchange having highest trading volume, as on the Record Date is not more than Rs.2,00,000 (Rupees Two Lakhs).

In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder".

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

Shareholders' participation in Buyback will be voluntary. Members holding equity shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Members holding equity shares of the Company may also accept a part of their entitlement. Members holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any shareholder cannot exceed the number of equity shares held by the shareholder as on the Record Date.

The equity shares tendered as per the entitlement by Members holding equity shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations.

The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015.

Detailed instructions for participation in the Buyback (tender of equity shares in the Buyback) as well as the relevant time

table will be included in the Letter of Offer which will be sent in due course to the Members holding equity shares of the Company as on the Record Date.

The Buyback from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs), and members of foreign nationality, if any, etc. shall be subject to such approvals as may be required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed thereunder, if any.

(c) Maximum amount required under the Buyback, its percentage of the total Paid-up share capital and free reserves and the sources of funds from which the Buyback would be financed

The maximum amount required under the Buyback will not exceed Rs. 1,50,00,00,000 (Rupees One Hundred Fifty Crores only) (which is 24.77% of the total Paid-up share capital and free reserves as per the audited Financial Statements of the Company for the Financial Year ended March 31, 2016) excluding transaction cost, viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty, etc, cost for the intermediaries appointed for the buyback and other incidental costs. This special resolution seeks approval of the members of the Company to authorize the Board to determine the total amount to be deployed in the Buyback within the aforesaid limits. Accordingly, the Board shall decide the total amount for the Buyback.

The Buyback would be financed out of free reserves of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited Balance Sheet.

The Company confirms that as required under Section 68(2) (d) of the Companies Act, 2013, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the Paid-up equity share capital and free reserves after the Buyback.

(d) Maximum Buyback Price and the basis of arriving at the Buyback Price

The equity shares of the Company are proposed to be bought back at a price not exceeding Rs. 270/- (Rupees Two Hundred Seventy only) per equity share (the "Maximum Offer Price"). The Maximum Buyback Price has been arrived at after considering various factors including, but not limited to, the trends in the volume weighted average prices of the equity shares of the Company on BSE Limited ("BSE") and National Stock Exchange of India Limited ("NSE"), where the equity shares of the Company are listed, the net worth of the Company, price earnings ratio and the possible impact of the Buyback on the key financial ratios of the Company. The Maximum Offer price of Rs. 270/- (Rupees Two Hundred Seventy only) per Equity Share represents

i) a premium of approx. 15.68% and 15.71% over the closing prices on the BSE and NSE respectively on October 07, 2016, being the working day immediately preceding the date on which Company intimated the Stock Exchanges of the date of meeting of the Board of Directors wherein the proposal for Buyback was considered;

ii) a premium of approx. 20.72% and 21.06% over the volume weighted average price of the Equity Shares on the BSE and NSE respectively during the 60 working days preceding October 08, 2016, being the day on which Company intimated the Stock Exchanges of the date of meeting of the Board of Directors wherein the proposal for Buyback was considered; and

iii) a premium of approx. 34.70% and 35.07% over the closing prices on the BSE and NSE respectively on August 19, 2016, being the working day immediately preceding the date on which Company intimated the Stock Exchanges of the date of meeting of the Board of Directors wherein the Previous Proposed Buyback was considered.

This special resolution seeks approval of the members of the Company to authorize the Board to determine the final Buyback Price within the aforesaid limits. Accordingly, the Board shall decide the final price for the Buyback.

(e) Maximum number of shares that the Company proposes to buyback and the time limit for completing the Buyback

While the Board of the Company shall decide the final Buyback price, but at the Maximum Buyback Price of Rs. 270/- per Equity Share and for the Maximum Buyback Size of Rs. 1,50,00,00,000, the indicative maximum number of Equity Shares that can be bought back would be 55,55,555 Fully Paid-up Equity Shares representing 14.35% of the total Paid-up equity share capital of the Company. In case the final Buyback price is lower than the Maximum Buyback Price, the indicative maximum number of shares will also go up accordingly. Merely as an illustration, if the final Buyback price is decided by the Board is Rs. 260 per Equity Share, then the number of Equity Shares that can be bought back would be 57,69,230 representing 14.91% of the total Paid-up equity share capital of the Company.

This special resolution seeks approval of the members of the Company to authorize the Board to determine the number of Equity Shares to be bought back by the Company within the aforesaid limits. Accordingly, the Board shall decide the total number of Equity Shares to be bought back.

(l) Compliance with Section 68(2)(c) of the Act

The aggregate Paid-up equity share capital and free reserves as at March 31, 2016 is Rs. 6,05,55,40,088. Under the provisions of the Companies Act, 2013, the funds deployed for the Buyback cannot exceed 25% of the total Paid-up equity capital and free reserves of the Company i.e. Rs.1,51,38,85,022. The maximum Buyback Size, i.e. Rs. 1,50,00,00,000 is therefore within the limit of 25% of the Company's total Paid-up equity capital and free reserves as per the audited Balance Sheet as at March 31, 2016.

Further, under the Companies Act, 2013, the number of equity shares that can be bought back in any Financial Year cannot exceed 25% of the total Paid-up equity capital of the Company in that Financial Year. At the Maximum Buyback price of Rs. 270/- per Equity Share and for the Maximum Buyback Offer Size of Rs. 1,50,00,00,000, the indicative maximum number of Equity Shares that can be bought back would be 55,55,555 (Fifty Five Lakhs Fifty Five Thousand Five Hundred Fifty Five only) Fully Paid-up Equity Shares representing 14.35% of the total Paid-up equity share capital of the Company. In case the final Buyback price is lower than the Maximum Buyback Price, the indicative maximum number of shares will also go up accordingly. However, such increased number, if any, will be within the limit of 25% of the total Paid-up equity share capital of the Company for the Financial Year ended March 31, 2016.

(m) As per the provisions of the Buyback Regulations and the Companies Act, 2013:

- (a) The Company shall not issue any equity shares or other securities (including by way of bonus) till the date of closure of the Buyback;
- (b) All the Equity Shares for Buyback are fully Paid-up
- (c) The Company shall not raise further capital for a period of one year from the closure of Buyback offer except in discharge of its subsisting obligations;
- (d) That the Company shall not buyback its Equity Shares from any person through negotiated deal whether on or off the Stock Exchanges or through spot transactions or through any private arrangement in terms of the SEBI Buyback Regulations, as amended from time to time
- (e) The special resolution approving the Buyback will be valid for a maximum period of one year from the date of passing the said special resolution (or such extended period as may be permitted under the Companies Act, 2013 or the Buyback Regulations or by the appropriate authorities). The schedule of activities for the Buyback shall be decided by the Board (or its duly constituted Committee) within the above time limits;
- (f) The equity shares bought back by the Company will be compulsorily cancelled and will not be held for re-issuance;
- (g) The Company shall not withdraw the offer to Buyback after the draft letter of offer is filed with the SEBI or the public announcement of the offer to Buyback is made;
- (h) The Company shall not buyback locked-in equity shares and non-transferable equity shares till the pendency of the lock-in or till the equity shares become transferable; and
- (i) The Company confirms that as required under Section 68(2)(d) of the Act, the debt equity ratio of aggregate of secured and unsecured debts owned by the Company shall not be more than twice the equity share capital and free reserves after the Buyback.
